

Form C-102
DUPLICATE OIL CONSERVATION COMMISSION
 SANTA FE, NEW MEXICO

RECEIVED
 OCT - 2 1950
 OIL CONSERVATION COMMISSION
 HOBBBS-OFFICE

Miscellaneous Reports on Wells

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF CASING SHUT-OFF	X	REPORT ON DEEPENING WELL

 Title

THEORY OF THE EARTH

CHAPTER I. OF THE ORIGIN OF THE EARTH.

The first question which presents itself to the mind is, what was the origin of the earth? and the answer to this question is, that it was created by the power of God, and that it was created out of nothing.

The second question which presents itself to the mind is, what was the state of the earth at the first? and the answer to this question is, that it was a chaos, or a confused mass of elements.

The third question which presents itself to the mind is, how was the earth created? and the answer to this question is, that it was created by the power of God, and that it was created out of nothing.

The fourth question which presents itself to the mind is, what was the state of the earth at the first? and the answer to this question is, that it was a chaos, or a confused mass of elements.

The fifth question which presents itself to the mind is, how was the earth created? and the answer to this question is, that it was created by the power of God, and that it was created out of nothing.

The sixth question which presents itself to the mind is, what was the state of the earth at the first? and the answer to this question is, that it was a chaos, or a confused mass of elements.

The seventh question which presents itself to the mind is, how was the earth created? and the answer to this question is, that it was created by the power of God, and that it was created out of nothing.

The eighth question which presents itself to the mind is, what was the state of the earth at the first? and the answer to this question is, that it was a chaos, or a confused mass of elements.

The ninth question which presents itself to the mind is, how was the earth created? and the answer to this question is, that it was created by the power of God, and that it was created out of nothing.

The tenth question which presents itself to the mind is, what was the state of the earth at the first? and the answer to this question is, that it was a chaos, or a confused mass of elements.

The eleventh question which presents itself to the mind is, how was the earth created? and the answer to this question is, that it was created by the power of God, and that it was created out of nothing.

The twelfth question which presents itself to the mind is, what was the state of the earth at the first? and the answer to this question is, that it was a chaos, or a confused mass of elements.

The thirteenth question which presents itself to the mind is, how was the earth created? and the answer to this question is, that it was created by the power of God, and that it was created out of nothing.
