In reply to your letter 3162.34 (067), dated May 15, 1986, from Mr. Charles S. Dahlen, we are submitting this Sundry Notice for your approval.

On April 10, 1984 ARCO Oil and Gas Company submitted a Sundry Notice Temporarily Abandoning the R. S. Crosby "A" #2. At that time we were holding the Crosby "A" #2 for a possible SWD well. In June, 1985, a suitable SWD system was located and tied into our battery, eliminating the need to convert the Crosby "A" #2 to a salt water disposal well. Paper work is currently circulating within ARCO to determine other potential uses, or plug and abandon the subject well. We are therefore requesting we be allowed to continue this well in TA status for a reasonable period of time in order to complete our evaluation.
