

## PASO NATURAL GAS COMPANY

## Memorandum

To Earl G. Smith  
From: Thomas R. Kiker

Date: July 31, 1973  
Place: Production Department,  
Jal, New Mexico.

Re: Burleson and Huff  
Coll No. 1-A  
G 29-25-37  
Jalmat, Lea County,  
New Mexico.

On July 30, 1973, a four-point test was attempted on the above captioned well. Due to the draw down, the test was not completed. The well was produced through the casing using a 2 inch prover.

S.I.P. - 96 hours 271.2#

1st Rate - 1/16" Orifice	238# - 13 MCF
2nd Rate - 1/8" Orifice	125.2# - 43 MCF
3rd Rate - 3/16" Orifice	39.2# - 28 MCF

All were one hour rates.
