Mr. Wesley G. Gish  
Repollo Oil Company  
Box 1990  
Fort Worth, Texas

Dear Wesley:

This is in regard to the Texas Company's  
Lanehart location in the NE<sub>1</sub> of Sec. 39, T. 25 S.,  
R. 37 E.

This location is 1320 feet from the north  
and east lines which would be on the property line  
between the Texas Company's Lanehart lease and the  
Repollo Company's Lanehart lease.

It is my understanding that this well is to  
be drilled and/or operated jointly by the two companies.  
If this is correct, kindly send me a letter in duplicate  
to that effect as our spacing rule is that no well should  
be drilled closer than 330' to any lease or property line.

With highest personal regards, I am

Very truly yours,

FJV:t

F. J. Vesely,  
State Oil & Gas Inspector.
