Gentlemen:

Due to the gas-oil ratio test filed recently for your Sholes "B" Well No. 4 located in Unit D of Section 31, T-25-S, R-37-E, it will be reclassified as a gas well in the Jalmat Pool effective September 1, 1984, and the oil allowable will be cancelled that date.

Please advise this office when you have complied with the provisions of Division Order No. R-1670 pertaining to the Jalmat Gas Pool in order that a gas allowable can be assigned by September 1, and no loss of allowable will occur.

Yours very truly,

OIL CONSERVATION DIVISION
