

STANOLIND OIL AND GAS COMPANY
FORT WORTH, TEXAS.

November 12, 1954

File: RM-4584-175

Subject: Waiver of Objection
Unorthodox Gas Proration Unit
R. Olsen's Dyer Well No. 3
Jalmat Gas Field, Lea
County, New Mexico

New Mexico Oil Conservation Commission
P. O. Box 871
Santa Fe, New Mexico

Attention: Mr. J. B. Nacey

Gentlemen:

The undersigned, being an authorized representative of the offset operator, has been duly informed by R. Olsen of his intention to establish a non-standard gas proration unit for his Dyer Well No. 3 in the Jalmat Gas Field, Lea County, New Mexico, and hereby waives all objections to the granting of the permit for this purpose.

The requested unit is to consist of the NW/4 of Section 31, T-25-N, R-37-E, Lea County, New Mexico.

Yours very truly,

ALEX CLARKE, JR.
Division Engineer

FORT WORTH, TEXAS

Dear Sir:

Reference is made to your letter of

March 1, 1944, in which you advised
that you had received a letter from
the Texas Department of Transportation
dated February 24, 1944, regarding
the proposed construction of a
new highway through the

land owned by the Texas Department of Transportation

and that you had been advised
that the Department of Transportation
was considering the possibility of
acquiring the land for the purpose of
constructing a new highway through the

land owned by the Texas Department of Transportation

and that you had been advised that the Department of Transportation
was considering the possibility of acquiring the land for the purpose of
constructing a new highway through the land owned by the Texas Department of Transportation

and that you had been advised that the Department of Transportation
was considering the possibility of acquiring the land for the purpose of
constructing a new highway through the land owned by the Texas Department of Transportation

Very truly yours,

W. H. STANLEY
Vice President
