Dear Sirs:

We received in Hobbs office of Oil Conservation Commission, completion forms for well Legal #2 NE $\frac{1}{4}$  SE $\frac{1}{4}$  Section 31, T-25S, R-37E. Inspection of the file reveals that we do not have forms C-102, Notice of Intention to test Casing Shut-Off for either casing string.

The completion forms will be approved and distributed when our file is made complete.

Yours very truly,

OIL CONSERVATION COMMISSION
