and to inform the General of conditions. I will also pay
the balance of the amount as soon as I have received the
particulars of the bill and the date of the bill.
Accordingly, and to the best of my ability, I will pay the
balance of the bill as soon as I have received the
particulars of the bill and the date of the bill. I will
also pay the balance of the bill as soon as I have received
the particulars of the bill and the date of the bill.

1. The first step in the process of the investigation is to identify the problem. This is done by the investigator who is assigned to the case. The investigator will then gather information about the problem and the people involved. This information will be used to determine the cause of the problem and to develop a plan to solve it.
