Mr. R. Olsen
Drawer "Z"
Jal, New Mex.

Dear Mr. Olsen:

This letter is to confirm our telephone conversation of last week.

The R. Olsen Gregory No. 2 is now classified as a Langlie Mattix gas well. The forms that were previously sent to this office that concerned its classification, as a Jalmat well will be returned ~~un~~approved, but it is requested that Form C-103 be filed showing the recompletion and the tops of the formations.

The reclassification has been brought to the attention of Mr. Porter, and he will notify your office of any further action taken on this well.

If this office can be of assistance, please feel free to call.

Yours Truly,

R. F. Montgomery

Mr. J. H. Brown
Hobbs, New Mexico

Dear Mr. Brown:

This letter is to confirm our telephone conversation of last week.

The A. C. C. (Gregory No. 2) is now classified as a large field gas well. The forms that were previously sent to this office that concerned its classification and a permit well will be returned unapproved, but it is requested that Form C-103 be filled showing the completion and the tops of the formations.

The classification has been brought to the attention of Mr. J. H. Brown, and he will notify your office of any further action taken on this well.

If this office can be of assistance, please feel free to call.

Yours truly,

H. W. Montgomery
