Gentlemen:

This is to advise that on July 12, 1982 the Getty Oil Company's Dabbs #1 gas well located in Unit M of Section 34, Township 25-S, Range 37E, Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to advise from the operator and inability of the well to produce into EPNG Co.'s Lea County 100# Gathering System. (Meter #60-784-01)
