17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give position, etc., including estimated date of starting any proposed work) SEE RULE 1103.

We propose to re-enter this well, clean out the Queen section and put back on production. Present plug back depth is 3226' with cal-seal plug. Will drill plug to new TD of 3259', wash Queen perforations with 250 gals. of acid and put well on the pump.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
