17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

It is proposed to plug and abandon the Tubb-Drinkard by setting a cast-iron bridge plug at 5490' and placing a 2 sack cement plug on top with a dump bailer. The Justis Blinbry zone will be returned to production.

This work is to correct communication as noted by Oil Conservation Commission letter May 3, 1968.

Tubb-Drinkard zone has not produced since March, 1967.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
