

STATE OF Texas

County of Winkler

R. M. Qualls

do hereby certify that R. M. Qualls is duly qualified to law, upon his oath before me.

That said R. M. Qualls is a resident of the County of Winkler and State of Texas as herein below set forth.

That said R. M. Qualls is a member of the Gulf Oil Corporation in the capacity of Petroleum Engineer.

That on June 6 61 he attended the setting of

a Baker Model "D" Gulf Oil Corporation's

Arnett-Ramsay "F" 9 located in Unit  
(Lease) Letter B Section 36 Township 25 S Range 37 E, NMPM,

Lea County, State of Texas

That said packer was set on and surface of 6327 feet, said depth as determined by Lane Wells.

That the packer was set in such a manner as to reflect a seal in the annular space between the packer and the well casing. The packer was set so as to prevent the possibility of any fluid from being produced from a stratum below the water table of the well. The packer was set in such a manner that this packer was properly and absolutely sealed off the stratum and was set in such manner as to be permanently set in the well casing.
