

DUPLICATE

CONSERVATION
Santa Fe, New Mexico

REQUEST FOR (OIL)-GAS

It is necessary that this form be submitted to the Conservation Office of the State of New Mexico. The allowable will be assigned to any completed oil or gas well. The State of Compliance and Authorization to Transport Oil will not be issued until Form C-101 is filed with the Commission. Form C-101 is to be submitted to the Conservation Office to which Form C-101 was sent. Two copies will be retained by the Conservation Office, Hobbs, New Mexico. The allowable will be assigned on date of completion, provided completion is reported. The completion date shall be the date the gas is first pumped into the stock tanks. Gas must be reported as follows:

Hobbs, New Mexico
Place

Aug 19, 1951
