NMPM,

LeaThat said packer was set at a depth of 5750' feet,said depth was set by Welex, Inc.

But the packer was not set in such a manner as to prevent the annular space between the packer and the wellbore from being sealed off from a stratum below the packer. That this packer was properly set in such a manner as to seal off the annular space between the packer and the wellbore from a stratum below the packer.
