17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was temporarily abandoned on January 9, 1973, due to high water production. We propose temporarily abandoning it by leaving it shut in until such time as a study for possible recompletion in the Silurian or Devonian Zones can be completed.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
