Re: West Dollarhide Devonian Unit #107-N
Section 33, T24S, R38E

Gentlemen:

I have examined the cement bond log you have submitted on
the above referenced well.

I find the cement coverage as indicated by the log to be
sufficient to cover the Queen formation, as required by
Division Order WFX-570.

No further work is required on this well at this time.

Very truly yours

OIL CONSERVATION DIVISION
