Re: Flaring of Casinghead Gas

Gentlemen:

Farm C-110 for your Eaton "B" Ac. 2 #3 12-25-37 Langlie Mattix
Lease Well No. S-T-R Pool

which was completed 4/25/63, indicates that no connection has been made for the sale of casinghead gas from this well. To comply with Commission Order No. R-553 you must, therefore, obtain a connection, or secure a No-Flare Order from the Commission not later than 7/25/63. Failure to comply with these instructions will result in allowable cancellation without further notice.

Yours very truly,

OIL CONSERVATION COMMISSION
