> Re: Application for Triple Tubingless Completion G. L. Erwin (a) Well No. 3, Lea County, New Mexico.

Attention: Mr. A. L. Porter, Jr.

Gentlemen:

Attached is TEXACO'S APplication for Triple Tubingless Completion for the G. L. Erwin (a) Well No. 3, located 990 feet from the south line and 990 feet from the west line, Unit M, Section 35, T-24-S, R-37-E, Lea County, New Mexico. TEXACO plans to complete this well as a triple tubingless oil completion in the North Justis (Blinebry, Tubb-Drinkard and Devonian) Pools. It is anticipated that all zones will be oil completions and will flow initially. Approval has been granted previously by the New Mexico Oil Conservation Commission for these zones in other wells in this area.

Also attached is a copy of the plat showing the area immediately surrounding TEXACO's G. L. Erwin (a) Lease and a diagrammatic sketch of the proposed triple tubingless completion. It is respectfully requested that TEXACO Inc. be granted administrative approval for this application as provided for under Rule 112-A.

Yours very truly,

JBling?
