Re: Application for Triple
Tubingless Completion
C. C. Fristoe "A" (NCT-2)
Well No. 7, Lea County,
New Mexico

Attention: Mr. A. L. Porter, Jr.

Gentlemen:

Attached is TEXACO's application for triple tubingless completion for the C. C. Fristoe "A" (NCT-2) Well No. 7, located 330 feet from the north line and 330 feet from the east line, Unit A, Section 3, T-25-S, R-37-E, Lea County, New Mexico. TEXACO plans to complete this well as oil completions in the North Justis (Blinbry, Drinkard & Devonian) Pools. It is anticipated that all zones will flow initially. Approval has been granted previously by the New Mexico Oil Conservation Commission for these zones in TEXACO Inc., State of New Mexico "BZ" (NCT-10) Well No. 1.

Also attached is a copy of the plat showing the area immediately surrounding TEXACO's C. C. Fristoe "A" (NCT-2) Lease and a diagrammatic sketch of the proposed triple tubingless completion. It is respectfully requested that TEXACO Inc. be granted administrative approval for this application as provided for under Rule 112-A.

Yours very truly,

H. D. Raymond
Assistant District Superintendent
