17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We are currently experiencing a response from an offset operators waterflood in the offset wells. Our plans are to work on this well in the next 90 days to 6 months. In other words before November 1, 1976 this well will be off the temporarily abandoned list if our work is successful. We will keep you posted on our progress.
