Attention: Mr. ~~Jerry W. Long~~ Jim Gillham

Gentlemen:

Texaco Inc. requests permission to flare gas from the  
subject lease for the following reasons:

Current production	- Less than 1 MCFD
Value of produced gas	- Less than \$2.00/day
Distance to sales line	- 21,000 feet

The costs to connect cannot be recovered from the sales of  
the remaining reserves. An exception to flaring will not  
be hazardous to the environment or general public due to  
the remote location.

Yours very truly,

J. V. GANNON
