Re: Application for Dual Completion
(Combination) TEXACO Inc.
C. C. Fristoe (b) NCT-2 No. 13
Lea County, New Mexico

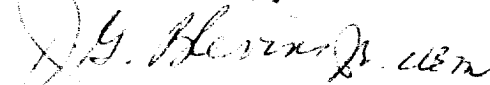

ATTENTION: Mr. A. L. Porter, Jr.

Gentlemen:

Attached is TEXACO's application for dual completion (combination) for the C. C. Fristoe (b) NCT-2 Well No. 13, located 990 feet from the South line and 1979 feet from the East line of Section 26, T-24-S, R-37-E, Lea County, New Mexico. TEXACO plans to complete this well as a tubingless completion in the Justis Gas Pool and as a conventional completion, utilizing 3-1/2-inch O. D. casing, in the Justis (Blinbry) oil pool. It is anticipated that both zones will flow initially. Approval has been granted previously by the New Mexico Oil Conservation Commission for multiple completion of these zones in TEXACO Inc., G. L. Erwin (b) NCT-2 Well No. 2 by Order No. R-2109.

Also attached is a plat showing the area immediately surrounding TEXACO's C. C. Fristoe (b) NCT-2 lease and a diagrammatic sketch of the proposed completion. It is respectfully requested that TEXACO Inc. be granted administrative approval for this application as provided for under Rule 112-A.

Yours very truly,

J. G. Blevins, Jr.
Assistant District Superintendent
