Re: Gas Connection Notice  
Santa Fe Exploration Company  
Jack A-29 Well #8-J  
Section 29, T24S, R37E  
Jalmat Pool

Gentlemen:

The above-referenced well has been showing up as a new connection "NC" in the gas proration schedule for several months and as yet we have not received a gas reconnect notice from you. Our records indicate it was disconnected from your system on September 28, 1983, when it was operated by Conoco Inc.

Please furnish this office with a "gas connection" notice.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton  
Supervisor, District I
