directionally drilled, give subsurface locations and measured and true vertical depths for all markders and zones pertinent to this work.)*  This is a usable wellbore for re-completion. This well was acidized but not fraced. Doyle Hartman re-completed wells in this area with good results. Due to the price of oil and gas we respectfully request this well be temporarily abandoned for (1) one year to study the economic feasibility.	This is a usable wellbore for re-completion. The good results. Due to the price of oil and gas w	s well was acidized but not fraced. Dovle Ha	tman to completed wells in this accessity

Title 18 U.S.C. Section 1001, makes it a crime for any person knowingly and willfully to make to any department or agency of the United States any false, fictitious or fraudulent statements or representations as to any matter within its jurisdiction.
