7. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We request that the Langlie-Mattix well be put into the temporarily abandoned category pending possible work over. This well has not produced any oil for the last 2 years from the lower Queen zone. The Jalmat zone is still productive, producing gas up the casing.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
