

This form is to be filed with the appropriate State Office of the Commission not later than 20 _____ after the completion of any newly drilled or deepened well. It shall be accompanied by one copy of all electric log and radioactivity logs run on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured by tape. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, items 90 through 94 shall be reported for each zone. The form is to be filed in quintuplicate except in state land, where six copies are required. See Rule 1105.
