Gentlemen:

This is to advise that on 9-4-86 the Lewis B. Burleson
Mobil #1 Langlie Mathey gas well located in Unit F
of Section 22, Township 25, Range 37, Lea
County, New Mexico was disconnected from El Paso Natural Gas Company's
gathering system. This meter is blind plated and will remain on loca-
tion temporarily, but inoperative until permanent status of the measur-
ing arrangement is determined. The disconnection was due to new forma-
tion and redelivered under same well name, but new meter number.

Yours truly,

Robert Patterson
Production Coordinator
