Gentlemen:

Attached is an "Application for Permit to Drill" the subject well. Also attached is a copy of the Application which we filed with the Oil Conservation Commission in Santa Fe, for an exception to the well spacing provisions of Rule 104 and a request for approval of a non-standard unit for this well.

Should you need additional information in regard to this matter, please advise.

Very truly yours,

UNION TEXAS PETROLEUM, A Division
of Allied Chemical Corporation
