17. I hereby certify that the information shown on both sides of this form is true and complete to the best of my knowledge and belief.

SIGNED James Gray TITLE Office Manager DATE 10-23-78

This form is to be filed with the appropriate district office of the Commission not later than 30 days after the completion of any newly-drilled or reworked well. It shall be completed by the owner of all electrical and radioactivity logs run in the well and a summary of all special tests conducted, including full stem tests. All depths reported shall be measured by tape. In the case of line-diply drilled wells, true vertical depths shall also be reported. For multiple completions, formation thicknesses shall be reported for each zone. This form is to be filed in quadruplicate except on state land, where duplicates are required. See Rule 112b.
