Re: Restoration of Surface  
El Paso Prichard Federal No. 1  
1980 FSL & 1980 FEL, Section 9  
T-25-S, R-37-E  
Lea County, New Mexico

Dear Mr. Brown:

I have notified Nadine Turner of Eunice, New Mexico, owner of the surface land in the SE/4 Section 9, T-25-S, R-37-E, of my intention to drill a 3300-foot Jalmat test 1980 FSL and 1980 FEL of Section 9. We have both agreed that once drilling and completion operations are finished at the proposed wellsite all pits will be backfilled and leveled, all junk and unnecessary equipment will be removed, and any unneeded access road and drill pad area will be ripped to promote vegetation.

Sincerely yours,

Doyle Hartman
