Dear Mr. Brown:

I have notified Blocker Brothers of Jal, New Mexico, owner of the surface land in the SE/4 Section 11, T-25-S, R-37-E, of my intention to drill a 3600 foot Langlie Mattix test 1980 FSL and 660 FEL of Section 11. We have both agreed that once drilling and completion operations are finished at the proposed wellsite all pits will be backfilled and leveled, all junk and unnecessary equipment will be removed, and any unneeded access road and drill pad area will be ripped to promote vegetation.

Sincerely yours,

Tommy Phipps  
Executive Vice President
