Gentlemen:

This is to advise that on January 12, 1983 the El Paso Exploration Co.'s Langlie Federal #1 - Justis Glorietta gas well located in Unit I of Section 14, Township 25S, Range 37-E, Lea County, New Mexico was temporarily disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to inability of well to produce into El Paso's 100# gathering system. Meter #61-138-01, Site Code #61138-01.

Yours truly,
