Re: Restoration of Surface
Santa Fe Federal No. 1
660 FSL & 660 FEL, Section 27,
T-25-S, R-37-E
Lea County, New Mexico

Dear Mr. Brown:

I have paid to Mr. Clyde Cooper of Jal, New Mexico (owner of the surface land in SW/4 Section 27, T-25-S, R-37-E) the amount of \$ 1739.37 to cover surface damages for the required drillsite and access road for my Santa Fe Federal No. 1 to be located 660 FSL and 660 FWL Section 27, T-25-S, R-37-E, Lea County, New Mexico. I also agree that once drilling and completion operations are finished at the proposed wellsite, all pits will be backfilled and leveled, all junk and unnecessary equipment will be removed, and any unneeded access road and drill pad area will be ripped to promote vegetation.

Very truly yours,
