Gentlemen:

Application for Multiple Completion - Wells B-1 No. 5, Order No. R-6163

Conoco Inc. received approval to multiple complete by order No. R-6163 issued on November 2, 1979. At the time of the hearing when this application was considered, electric logs were not available. The well has now been logged and therefore, copies of the electric log showing perforation intervals are now submitted. Please add these to our application, which will then be complete.

Yours very truly,

A handwritten signature in cursive script that reads "John R. Kemp".
