Re: Restoration of Surface
El Paso Ruby Federal No. 1
660 FSL & 1880 FEL, Section 8
T-25-S, R-37-E
Lea County, New Mexico

Dear Mr. Brown:

I have notified The Jal Public Library Trust of Jal, New Mexico, owner of the surface land in the SE/4 Section 8, T-25-S, R-37-E, of my intention to drill a 3300-foot Jalmat test 660 FSL and 1880 FEL of Section 8. We have both agreed that once drilling and completion operations are finished at the proposed wellsite all pits will be backfilled and leveled, all junk and unnecessary equipment will be removed, and any unneeded access road and drill pad area will be ripped to promote vegetation.

Sincerely yours,

Tommy Phipps
Executive Vice President
