

This form is to be filed with the appropriate District Office of the Commission not later than 30 days after the completion of any newly-drilled or deepened well. It shall be a running record of the history of the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of unsectionally drilled wells, true vertical depths shall also be reported. For multi-hole completions, items 19 through 24 shall be reported for each zone. The form is to be filed in quintuplicate except on state land, where six copies are required. See Rule 1103.
