

INSTRUCTIONS

This form is to be filled with the appropriate information of the Commission not later than 20 days after the completion of any newly-drilled or re-completed well. It shall be accompanied by a true copy of all electrical and radioactivity logs run on the well and a summary of all special tests conducted, including fall-cone tests. All depths reported shall be measured by this in the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, thicknesses through #4 shall be reported for each zone. The form is to be filed in quadruplicate except on state land, where six copies are required. (See Page 1105)
