RE: Administrative Order NSL-1545

Gentlemen:

Union Texas Petroleum respectfully requests that the location approved July 21, 1982, for an unorthodox location for the Langlie-Jal Unit Well No. 99, be changed from 1424' FSL & 2650' FWL to 1424' FSL & 2450' FSL. The approved location was the alternate location for this well. Corrected Form C-101 has been mailed to Hobbs.

Your consideration in this matter will be appreciated.

Very truly yours,

UNION TEXAS PETROLEUM CORPORATION

Richard Atchley
Production Services Supervisor
