RE: Javelina Basin Unit No. 2 - 2
S. Pitchfork Ranch Field
Sec. 16 T25S R34E
Lea County, New Mexico

Gentlemen:

The subject well was plugged and abandoned according to all applicable rules of the Oil Conservation Division during July, 1986. Final cleanup and restoration of the location was completed during August, 1986.

We respectfully ask that a Division representative physically inspect the location and correspond with us as to the adequacy of the restoration. Thank you for promptly handling our request.

Very truly yours,

THE STONE PETROLEUM CORPORATION
