Re: Unorthodox Locations  
WDQSU 79  
2310' FSL, 2600' FEL, Section 30  
T24S, R38E, Lea County, New Mexico

Ladies and Gentlemen:

This letter shall serve as our request to have the unorthodox locations described above approved by your office.

On the attached plat you will note our locations lie within the unit boundaries of the West Dollarhide Queen Sand Unit. We are requesting these locations be approved because these locations will allow us to establish a more efficient waterflood pattern in the field.

Should you have additional questions, please call.

Sincerely,

  
Brian M. Sirgo
