Re: CANCELLATION OF PERMIT TO DRILL
West Dollarhide Queen Sand Unit
#138 (1800/N & 1850/E)
Unit G, Sec. 31, T24S, R38E

Gentlemen:

The permit to drill the above-referenced well is considered cancelled as per instructions in your December 16, 1988, letter and also concurrence with your request from the BLM.

Should you revise your unit development plans and decide to re-enter this well you will need to resubmit the application.

Very truly yours,

OIL CONSERVATION DIVISION
