

Three copies of a color coded land map outlining the newly proposed 320-acre Jalmat (Gas) proration unit as well as the location of the original Jack A-20 No. 9 and No. 10 wells and the location of our Jack A-20 No. 11 infill well are enclosed for your review. Supplementing the enclosed color-coded land plat is a companion table describing by tract number and color all Jalmat (Gas) proration units (including the operator of the Jalmat (Gas) rights) that offset the proposed Jack A-20 No. 11 infill well.

Complete copies of this application have also been sent by certified mail to operators of the offsetting Jalmat (Gas) proration units as described on the enclosed plat and table. The following is a list of the offsetting Jalmat (Gas) operators:
