Attention: Mr. Michael E. Stogner

Gentlemen:

An Exception to Rule 104 F.I. by administrative approval was granted March 14, 1990, Administrative Order NSL-2768. This well had to be moved 50' east to clear an electric line. Administrative approval is requested for the new location. The revised location is 1169' FSL & 120' FWL Unit Letter "M", of Section 29, T-24-S, R-38-E.

There are no "affected offset operators" to this location. Attached is Form C-102 and a lease plat showing the location of the subject well.

Yours very truly,

C.P. Basham / cwh
