RE: Hallwood 1 Federal
#2-P, Sec. 1, T-25s, R-33e

Gentlemen:

You completed the Hallwood 1 Federal #2 on January 6, 1995. According to OCD Rules & Regulations, Rule 107 tubing is required in all flowing oil wells with casing larger in size than 2 7/8".

If you have any questions on this matter, please call the OCD District I Hobbs office (505) 393-6161.

Yours very truly,

OIL CONSERVATION DIVISION
