RE: Non Standard Proration Unit
Jalmat (Tan, Yts, 7 Rvrs) Field
Wells B-1 Lease
Sec. 1, Twp. 25S, Rge. 36E
Lea County, New Mexico

Gentlemen:

Prime Operating Company is notifying you that we are applying to the New Mexico Oil Conservation Commission for two Non-Standard Proration Units for the Wells B-1 Lease. We are requesting a 200 acre unit consisting of unit letters G, H, J, O and P be assigned to our #7 well and that the current Non-Standard Proration Unit for the #4 well be reduced to a 40 acre unit consisting of unit letter I.

Sincerely,

Earl W. Levea
District Manager
