**RE: Non Standard Proration Unit
Jalmat (Tan, Yts, 7 Rvrs) Field
Wells A Lease
Sec. 1, Twp. 25S, Rge. 36E
Lea County, New Mexico**

Gentlemen:

Prime Operating Company is notifying you that we are applying to the New Mexico Oil Conservation Commission for an amendment to the Non-Standard Proration Units for the Wells A Lease. We are requesting the current Non-Standard Proration Unit for the #2 well which now contains 80 acres consisting of unit letters D, and E be simultaneously dedicated to our #10 well.

Sincerely,

**Mary C. Lyle
Production Department**
