New Mexico Oil Conservation Division 2040 South Pacheco Santa Fe, NM 87505

Re: Application to form Project Area and request for Simultaneous Dedication for CC Fristoe B2 #17

Attn: Mr. Mike Stogner

Dear Sir;

Texaco Exploration and Production Inc. respectfully requests approval to form a Project Area in the North Justis Tubb Drinkard. The Project Area will consist of 80 acres, as shown on the attached plat. This will accommodate the drilling of a horizontal lateral in Well No. 17. All of this acreage is within the CC Fristoe B Lease.

The CC Fristoe B 2 #17 will have a single horizontal lateral going to the north with an approximate bottomhole location of 917' FNL and 2256' FWL of Section 35, T24S, R37E in Lea County.

As shown on the plat, Texaco is also requesting simultaneous dedication in the North Justis Tubb Drinkard for wells #15 and #17, as acreage will be shared with these wells.

If you have any question concerning this matter please contact Cory Hoffman at (915) 688-4688, Denise Leake at 915-688-4752 or Denise Wann at (915) 688-2982. Thank you in advance for your attention to this matter.

Sincerely,

Donise Wann / gel

Denise Wann Production Engineer Hobbs Operating Unit
