Lea Co., New Mexico

Dear Mr. Hunt:

We have notified Ludean Cantrell and Christeen Pruett, owners of the surface land in the NE/4 Section 30, T-24-S, R-37-E, of our intention to drill a well to be located 660' FNL and 660' FEL of Section 30. We have agreed that once drilling and completion operations are finished at the proposed well site, all pits will be backfilled and leveled, all junk and unnecessary equipment will be removed, and any unneeded access road and drill pad area will be ripped to promote vegetation.

Very truly yours,

DOYLE HARTMAN
