Gentlemen:

Please be advised that the above referenced well is not going to be drilled by Lively Energy and Development. We recently filed an application to drill and also forwarded a One-Well Plugging Bond on this well.

In order to cancel the plugging bond the insurance company requires that we return the original bond to their office. The original was forwarded to you for your files. Your assistance in this matter will be greatly appreciated.

If you should have any questions concerning this matter, please advise.

Yours very truly,

LIVELY ENERGY & DEVELOPMENT
